Benefit Highlights
Preferred Plan

MASSACHUSETTS / MOSES HEALTH & WELFARE FUND

The annual maximum is: $1500 per member per calendar year
The annual deductible is: $50 per individual / $150 per family
The maximum lifetime cap is: Unlimited

Pretreatment estimates are recommended for underlined procedures.

Plan pays 100%; Member Coinsurance 0% (In-Network)
Plan pays 80%; Member Coinsurance 20% (Out-of-Network)

- Two oral exams per calendar year
- Two cleanings per calendar year
- Fluoride treatment for children under age 19 twice per calendar year
- One set of bitewing series per calendar year
- One complete x-ray series or panoramic film every 36 months
- Single x-rays as required
- Sealants for children under age 16, once per unrestored permanent molar every 36 months

Plan pays 50%; Member Coinsurance 50% Deductible Applies (In-Network)
Plan pays 40%; Member Coinsurance 60% Deductible Applies (Out-of-Network)

- Palliative treatment (minor procedures necessary to relieve acute pain) twice per calendar year
- Amalgam (silver) fillings. Composite (white) fillings on front teeth only. For composite fillings on back teeth, the plan pays what would have been paid for an amalgam filling. Patient is responsible for the balance up to the dentist's charge.
- Space maintainers for lost deciduous (baby) teeth, replacement limited to once every 60 months
- Extractions and other routine oral surgery not covered by a patient's medical plan
- General anesthesia or intravenous (I.V.) sedation for complex surgical procedures
- Root canal therapy
- Repairs to existing partial or complete dentures once per calendar year
- Recementing crowns or bridges
- Rebasising or relining of partial or complete dentures; once every 60 months
- Periodontal maintenance following active therapy – two per year
- Root planing and scaling once per quadrant every 24 months
- Osseous (bone) surgery once per quadrant every 24 months (bone grafts are not covered)
- Gingivectomies once per site every 24 months
- Soft tissue grafts once per site every 60 months
- Crown lengthening once per tooth every 60 months
- Surgical placement of endosteal implant and abutment; replacement limited to once every 60 months
- Crowns over natural teeth, build ups, posts and cores; replacement limited to once every 60 months
- Bridges, build ups, posts and cores, crowns over implants – replacement limited to once every 60 months
- Partial and complete dentures – replacement limited to once every 60 months

Orthodontics:
Plan pays 100% up to Lifetime Maximum (orthodontics only): $1500
- Braces and related services for dependent children under the age of 19

Dependent Coverage – Dependent children are covered up until the end of the month that they turn age 21. Dependent children who are full-time students over age 21 are covered as long as they stay in school or up until the end of the month that they turn age 26.
Know How Your Plan Works

Dental insurance helps you pay for the most common dental procedures. And, it’s important to understand how your Altus Dental Preferred plan works so you can get the most from your dental plan.

How does the plan work? It’s easy when you use participating network dentists.

The preferred provider network includes many of the dentists in your area, delivering easy access to care for you and your covered family members. We are the largest Preferred Provider Organization (PPO) in Massachusetts and Rhode Island. All our dentists must pass our rigorous credentialing process, so you know it’s care you can count on. We also offer access to dentists nationwide through the CONNECTION Dental network. If your Altus Dental ID card displays the CONNECTION Dental logo, then you have access to one of the nation’s largest dental networks with more than 41,000 dental office locations.

Finding a dentist

Your Current Dentist

If you already have a dentist, simply ask if he or she participates with Altus Dental. If your dentist isn’t in the network yet, please let us know. We are actively recruiting new dentists to the network.

www.altusdental.com

Just log on to our web site and use our online dentist directory to find a dentist in a location that’s convenient for you, or to check if your dentist participates. You may search by name, location or specialty. Remember, if your card displays the CONNECTION Dental logo, this means you have access to a national network and can search for a dentist or specialist in all 50 states. Our directory will provide you with the names and addresses of all the dentists that meet your search criteria, as well as maps and driving directions.

Members Online

Once you’re enrolled, Members Online helps you manage your dental benefits with ease. Designed especially for our members, this feature allows you to verify your specific benefit and eligibility information, research the status of a claim or look for a participating dentist. You can also create your own personal Claim Activity Statement and instantly print a copy of your ID card.

Maximize your coverage with a participating dentist.

In-Network Care

When you receive care from a participating dentist, your out-of-pocket expenses will be less. That’s because the dentist has agreed to accept the allowance as full payment, minus your coinsurance and any applicable deductibles — which means no “balance” billing. Just show your ID card and you’re done — it’s that simple! Participating dentists will handle all the paperwork and inquiries directly with us. We will also pay the dentist directly.

Out-of-Network Care

You also have the freedom to receive care from dentists who do not belong to the network. However, your out-of-pocket costs are likely to be greater because non-participating dentists are paid at a reduced level. You are expected to pay for any difference between the amount Altus Dental allows and the amount the dentist charges.

Claims and correspondence should be sent to:

Altus Dental
P.O. Box 1557
Providence, RI 02901-1557

Thanks for choosing

Altus Dental – we look forward to providing you and any covered family members with quality dental benefits.
