EMPLOYEE ELIGIBILITY:

As used in this Plan, the term "employee" means a full-time or regular part-time person employed in a MOSES represented title. A full-time employee is defined as an employee who normally works a full week and whose employment is expected to continue for twelve months or more, or an employee who normally works a full week and who has been employed for twelve consecutive months or more. A regular part-time employee is defined as an employee who is expected to work 50% or more of the hours in a work year of a regular full-time employee in the same title. An employee is eligible for benefits after contributions have been paid on their behalf to the trust fund for two consecutive months. If an employee has worked for two previous months in another Unit, which waives the eligibility waiting period for Unit Nine/E employees, they shall be immediately eligible for benefits under this Plan. In no case will reimbursement be made for services provided before the first day of eligibility.

DEPENDENT ELIGIBILITY:

An employee's eligible dependents include their spouse and unmarried children till their 19th birthday. Unmarried children are eligible till their 24th birthday if they are wholly dependent upon an employee for support and maintenance while a full-time student in school or college. Proof of dependent status must be provided upon request. Proof of student status from the school must be provided with your application. Coverage for an unmarried child, more than half of whose support and maintenance is provided by the employee, and who is incapable of self-sustaining employment because of mental disability or physical handicap and whose incapacity began prior to their 19th birthday shall continue as long as the employee's coverage remains in force and said incapacity continues.

TERMINATION OF COVERAGE:

Coverage under this Plan terminates when the employee leaves Unit Nine/E except that a former employee may be entitled to retroactive reimbursement for expenses incurred while in Unit Nine/E on a ratio of the employee's service to a full calendar year of service. COBRA (The Consolidated Omnibus Budget Reconciliation Act of 1986) provides a procedure by which a former employee and/or an ineligible dependent of a present employee may continue coverage, for a limited time, upon payment of the appropriate fee. To receive benefits under COBRA you must apply in writing to the Administrator, Massachusetts/MOSES Health and Welfare Trust Fund within 60 days of your eligibility for extended coverage, or the eligibility of your dependent(s), as detailed above.

COORDINATION OF BENEFITS:

If an employee or their dependent is entitled to benefits under any other plan which will provide part or all of the benefits paid under this Plan, the employee is required to submit the name of the other plan and any amounts received so that the benefits payable under this Plan added to amounts from other plans will not exceed 100% of the expenses incurred. The term "other plan" means any plan providing benefits or services covered under this Plan, that is: (A) group or blanket insurance coverage; (B) group Blue Cross/Blue Shield, Indemnity Plan or health maintenance organizations (HMO) and other pre-payment coverage provided on a group basis; (C) any coverage under labor-management plans, union welfare plans, employer organization plans, employee organization benefit plans or any arrangement of benefits for individuals or group; (D) any coverage under government program; (E) any coverage required or provided by any statute; and (F) any non-group plan.

SUBROGATION:

If an employee or their dependent(s) is injured because of a third party's negligence:

A. Benefits will be payable under the Plan for that injury, subject to the condition that the employee and their dependent (if applicable):

1. Agrees to the Massachusetts/Moses Health and Welfare Trust Fund (herein known as the Fund) being subrogated to any recovery or right to recover against the third party;
2. Will not take any action which would prejudice the Fund's subrogation rights; and
3. Will cooperate in doing what is reasonably necessary to assist the Fund in any recovery.

B. The Fund will be subrogated to the extent Plan benefits were paid because of that Injury
